SELECTION OF FIGHTERS SCREEN

This screen shows the 8 fighters you can take on in your battle to be crowned king of the Street.

ONE PLAYER MODE.

Move your cursor to highlight the fighter you wish to be, pressing the red button to confirm selection.

The chosen fighter's characteristics will then be displayed under your fighter.

The computer will now pick your opponent at random, and could even choose a clone of your own fighter.

TWO PLAYER MODE.

As with the One Player mode, but Player 2 is able to make his own fighter selection.

TOURNAMENT MODE.

After having practised you fighting skills, select the tournament mode and see if you can become the boss on the Street.

SPEED OPTIONS.

There are three Speed Options that may be selected using the trigger controls on the front of the Joypad. Left trigger to decrease speed and Right trigger to increase the fighter's speed.

The Eight Fighters are Tony, Sgiosa, Lola, Luisa, Keo, Pinen, Macalosh, and Ombra.

Each of the fighters have their own strengths and Special moves that they can perform to give them the edge on the Street.

To perform a special move hold down the Red Button.

HEIGHT: 182 Cm

WEIGHT: 90 Kg

Born in Italy

OCCUPATION: Works in a Disco Club

After reaching Top Grade at Shotokan Street Fighting, he then turned his attention to the Martial Arts. A resident D.J. at the roughest night spot in Italy, few people disagree with his selection of music, which is as a matter of fact - terrible.

SPECIAL MOVES:

Firework Flip-Side Attack

Disco Pulse

Shooting Star 12'

Ice Smoke Punch

SGIOSA CAPELI

HEIGHT: 189 Cm

WEIGHT: 150 Kg

Born in Switzerland

OCCUPATION: Lorry Driver

Don't be fooled by this fighter's 'Pot Belly.' After years of driving trucks and lifting boxes for a local software company, his arms are as strong as steel girders. His temper is almost always at breaking point due to the exhausting work and he spends most nights around the taverns and bars in Switzerland. He is feared by almost all of the hardnail thugs that flock to these bars, so beware anyone that crosses his extremely large path and 'Belly.'

SPECIAL MOVES:

Spinning Cap Attack

Large Cap Shield

Mini Man Attack

PINEN

HEIGHT: 172 Cm

WEIGHT: 70 Kg

Born in Italy, but now lives in America.

OCCUPATION: Playboy

A strong believer in the darker side of life. Tony meditates for hour upon hour each day, summoning up all of the evil and hatred in the World which combined with his deadly Street-Fighting skills makes him a fearsome opponent. He conceals his menacing mental and physical abilities behind his playboy image and can switch each of his separate identities on and off at will.

SPECIAL MOVES:

Triple Lightning Punch

Manhattan Dragon

Double Fireball

TONY

HEIGHT: 188 Cm

WEIGHT: 54 Kg

Born in France

OCCUPATION: Teacher in Gymnasium

Gymnastics is the name of the game with Luisa. This super-fit girl likes nothing more than to hurl herself around a gymnasium for hours at a time, teaching her team of fitness freaks the art of balance and muscle rigidness, as well as acrobatic skills. Do not be misled by her slick looks, this babe is one tough cookie and not one to crumble easily under pressure.

SPECIAL MOVES:

Uppercut Cruncher

Slab Defence

Spinning Top Snap Kick

Pirouette Attack

LUISA

HEIGHT: 188 Cm

WEIGHT: 90 Kg

Born In North America

OCCUPATION: Spiritual leader of the Sioux

Found abandoned by an old and wise Indian Chief, Macalosh 'Wild One' was raised until maturity, learning the ancient Indian fighting arts. Being born of the wild, he used his fighting skills alongside creatures of the forest, notably the Panther which was seen watching over the infant boy as the Indian Chief approached him those many years ago.

SPECIAL MOVES:

Panther Strike

Thunder Clap

Scalp Lash

MACALOSH

OMBRA

HEIGHT: 167 Cm

WEIGHT: 75 Kg

Born in Pennsylvania

OCCUPATION: Expert Palmist

Occult specialist Ombra practises his art to a fine degree. Cool, calm and collected he utilises each physic ability to the full. Raised by an old Pennsylvanian alchemist, he has learned to use and control the powers of the occult. This can be dangerous compared to a lot of the competition, he is fast, flame transport slick and intelligent, using his occult powers rather than physical abilities.

SPECIAL MOVES:

Burning Palm Strike

Star Shield

Sand Dive

Star Strike

Power Kick

HEIGHT: 145 Cm

WEIGHT: 71 Kg

Born in Germany

OCCUPATION: Custodian in an Old Castle

A strange foe indeed. A devout monk whose fighting skills range from the weird to the unbelievable. He can change form at random into a Moat Monster - An eight-tentacle beast, also he introduces a new art of fighting, Spring Fighting.

Keo can jump higher and faster than whoever stands in his way and opponents will probably end up with circular spring bruises all over their bodies - a tough character indeed.
