Starting The Game

1. Set up your PlayStation™ game console according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a compact disc.
2. Insert the *World Cup 98* disc and close the Disc Cover.
3. Insert game controllers and turn on the PlayStation game console.

   Note: When using the Multi-Tap, at least one controller must be connected to port 1-A.
4. After the opening video, press the START button when prompted to proceed to the Match Select screen.

It is advised that you do not insert or remove peripherals or Memory cards once the power is turned on. Make sure there is enough free blocks on your Memory card before commencing play.
