THE RISE OF STRIDER HIRYU

In the future, the world is ruled by a dictator known as Grandmaster.

Under his reign, excessive overpopulation has caused starvation and war among all the people of the world ...

Chronic environmental destruction has generated disease and genetic mutations ...

The world is polluted by increasing crime, drugs and human experimentation ...

Corrupt politicians wield absolute power ...

Evil organizations devote themselves to large-scale corporate crime ...

Those who fight for justice and peace are dealt with just the opposite – imprisonment and ruin ...

Now, a warrior arises from the depths of a dark city that never sees the sun ...

His name is Hiryu. His assigned mission is to defeat Grandmaster.

With his light sword Cypher and his sharply honed physical skills, Strider Hiryu pounces as quick as lightning and as mercilessly as death!

BACKGROUND

WHO IS HIRYU?

Hiryu is a special A-Class Strider and professional in assassination and destruction. He has mastered super-human physical skills and fights with his light sword Cypher. His real name, nationality, age, career and other data are all secret. As one of the few survivors of the recently defunct Striders organization, Hiryu is heading into his final mission.

WHAT IS A STRIDER?

A Strider is an agent of an espionage organization called "Striders," whose origins are closely related to the ninjas. "Striders" is a mercenary group that does not belong to any nation. Its agents specialize in underground activities such as information collection, destruction and assassination. The organization of Striders was recently destroyed and rumor has it that another Strider was involved in the sabotage that led to the group's annihilation.

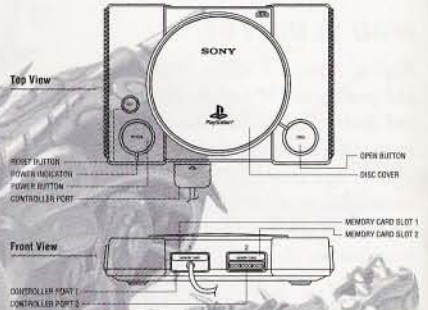

WHAT IS CYPHER?

Cypher is a sword-shaped weapon Hiryu uses at all times. Its edge generates plasma and nothing can withstand its razor-sharp blade. It is extremely hard to wield Cypher and very few Striders can use it well.

SETTING UP

Set up your PlayStation® game console according to the instructions in its Instruction Manual. Make sure the power is off before inserting or removing a compact disc. Insert the STRIDER 2 disc and close the Disc Cover. Insert a game controller and turn on the PlayStation game console. Follow on-screen instructions to start a game.

Tip: Watch the game demos before starting play for game hints.
