the mission

In the year 1991, a powerful oil-rich dictator in the Middle East has waged war on the world. You must navigate a super-modified Nuclear Apache Helicopter, D-FORCE, through six countries and infiltrate the enemies headquarters. If the ol' apple pie and baseball are to remain as symbols of our country, you'd better get on the ball.

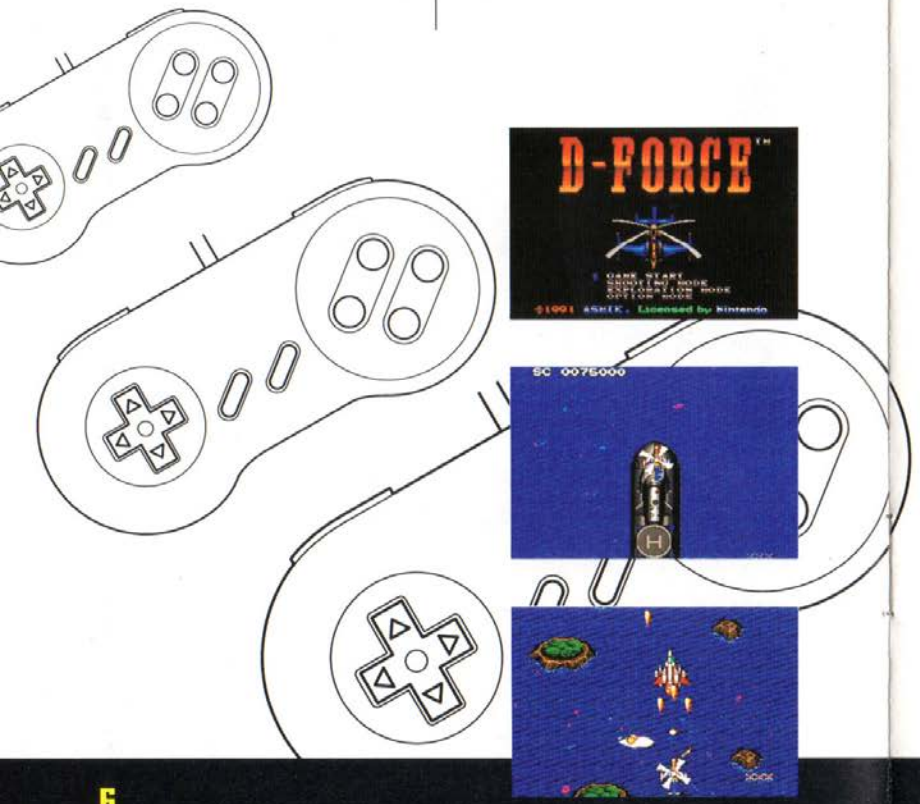

As well as constant enemy attacks, this warped leader has chemical biologists developing prehistoric beasts to tear your chopper out of the sky. And we're not talk'n about your every-day dinasaurs either; these are helicopter eating creatures that could bring about your true test of non-stop, creative thinking.

'Course you'll have the latest weapons at your side. And the farther you go, the more you'll get a chance to use them. If you are able to conquer the seemingly endless enemies, watch out for the...we're loosing you...you're radio's breaking up ...good luck, you're on your own!

Your chopper blades are spinning— there's no turning back! Never fear, you're in command of the ulimate weapon, D-FORCE!

getting started

1. Insert your D-FORCE game-pak into the Super Nintendo Entertainment System.
2. Turn the power on.
3. Press start to begin a game.
4. Enjoy!

player controls

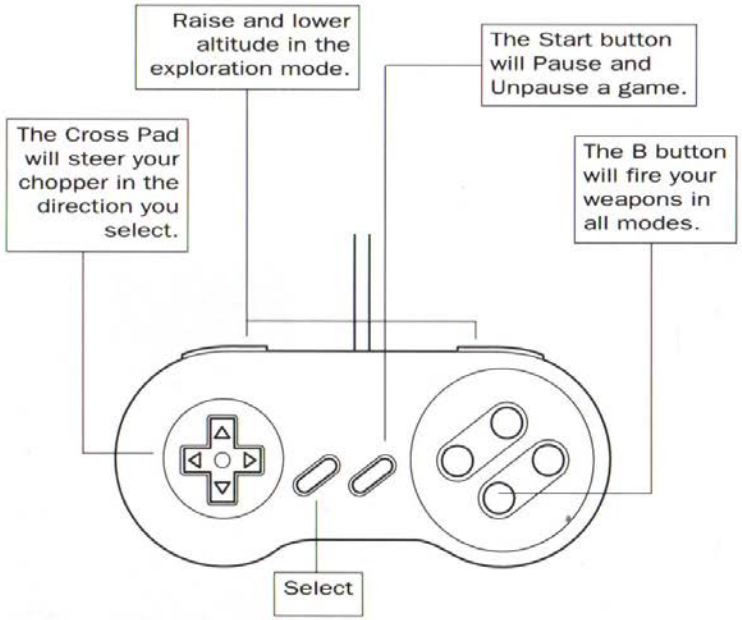

When your Apache rises to a safe flight altitude you will be in control.

option mode

The option mode will allow you to do several things.

Here is a list:

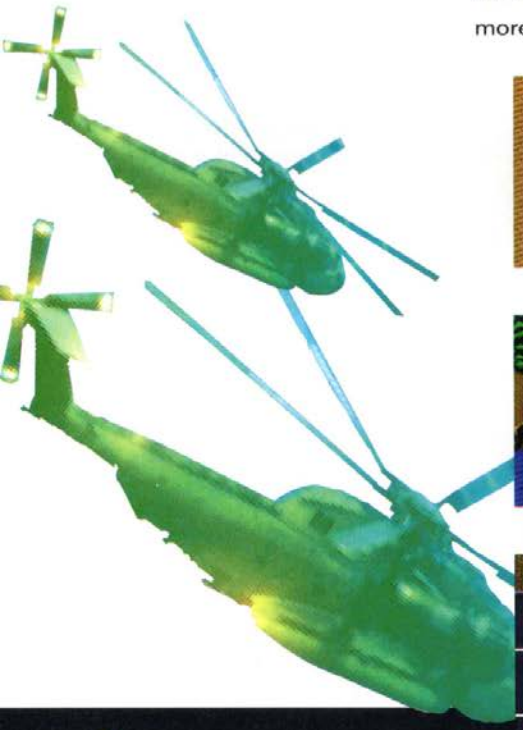

1. Listen to the sound effects of the game.
2. Listen to the music of the game.
3. Select the level of difficulty.
